

**IAP Chapter of Neuro Developmental Pediatrics
IAP Fellowship in Developmental and Behavioral Pediatrics
Indian Academy of Pediatrics**

IAP Chapter of Neuro Developmental Pediatrics is happy to announce the invitations from various Child Development Centre / Institutes / Medical Colleges for Accreditation for the IAP Fellowship in Developmental and Behavioral Pediatrics 2018 under the aegis of Indian Academy of Pediatrics.

The IAP Fellowship Program was launched in 2015 with an aim to provide training to Pediatricians in the subject of developmental and behavioral pediatrics and to train them to provide services and competency in skills required for developmental assessment, planning and implementation for early intervention program for infants and toddlers *at risk* / developmental delays and children with various neuro developmental and associated behavioral disorders. The training program has received an overwhelming response. At present, the program is running successfully at 9 centre's across the country.

Applications are invited from the interested Child Development Centers / Institutions / Medical Colleges who are willing to join in and run the Fellowship Program from their centers.

Last date to apply: 31st March 2018
